AUTHOR Latchaw, Truly Trousdale, Comp.; Miller, G. Dean, Comp.

TITLE Paramedical Training in Minnesota; Requiring Two Years or Less Education at Non-Profit Institutions.

INSTITUTION Minnesota State Dept. of Education, St. Paul. Pupil Personnel Services Section.

SPONS AGENCY Office of Education (DHEW), Washington, D.C.

PUB DATE 72

NOTE 127p.; Revised 1972 edition; Minnesota Guidance Series Publication

EDRS PRICE MF-$0.65 HC-$6.58

DESCRIPTORS *Directories; *Health Occupations Education; *Paramedical Occupations; *Post Secondary Education; *Schools

IDENTIFIERS *Minnesota

ABSTRACT

The directory of Minnesota institutions providing paramedical training is organized by categories of paramedical occupations: child care specialist, dental assistant and hygienist, dietetic assistant, electro medical technician, hospital service coordinator or hospital station secretary, inhalation therapist, laboratory assistant and technician, medical office assistant, medical receptionist and secretary, medical technician, medical records technician, nurses aide, practical nurse, occupational therapy assistant, ophthalmology and optical technician, optometric assistant, orthopedic physician assistant, physical therapy assistant, psychiatric and surgical technician, radiologic technologist, registered nurse, urological assistant, veterinary medical technician, and X-ray technologist. Under each occupational category, the institutions are listed with the addresses, the length of their programs, the number of students per class, the room and board costs, tuition, other fees, the entrance requirements, when class begins, and what stipends available. (Second Printing)

ACKNOWLEDGMENTS

We wish to express our appreciation to the many hospitals, colleges, universities, and area vocational-technical schools for their cooperation in revising this 1972 edition of *Paramedical Training in Minnesota.* We are especially indebted to Verna Blomquist, Supervisor of the Health Occupations Education Unit, Vocational Division, Minnesota Department of Education, and to Mildred Brown, Director of Manpower Training and Education, Twin City Hospital Association.

Counselors or students desiring additional information about individual programs will want to make further inquiries of the institutions.
